EDUCATION

University of Michigan, Ann Arbor — *September 2022 - Present*
PhD in Theoretical Computer Science, advised by Nikhil Bansal — USA

Indian Institute of Technology, Guwahati — *July 2018 - July 2022*
Bachelor of Technology in Computer Science and Engineering — India

- GPA: 9.32/10.0

  with Chris Schwiegelshohn and Sudarshan Shyam

TALKS

- **Microsoft Research India, Jan 2025.** Online talk on *Coresets for k-Means Clustering*.
- **Program in Algorithmic & Combinatorial Thinking 2024 (PACT).** Talk on randomized load balancing for high-school and undergraduate students.
- **New Horizons in TCS Summer School, 2021.** Virtual teaching assistant for a summer school introducing under-represented undergraduate students to theoretical computer science.
- **Program in Algorithmic & Combinatorial Thinking 2020 (PACT).** Talks on sublinear algorithms, streaming algorithms, and communication complexity.

SERVICE AND PROFESSIONAL ACTIVITIES

- **External reviews:** STOC 2025; SODA 2025; FSTTCS 2024.
- **Department service:** Co-organizer of the weekly *Theory Lunch* at the University of Michigan in Fall 2024 and Winter 2025.

WORKSHOP PARTICIPATIONS

- **Efficient Algorithms for High Dimensional Metrics: New Tools, 2024.** DIMACS, Rutgers University.
- **Old Questions and New Directions in Theory of Clustering, 2024.** EnCORE Institute, University of California, San Diego.
- **PACT 2019.** Program in Algorithmic & Combinatorial Thinking, Princeton University.

AWARDS AND HONORS

- **IIT-JEE Advanced 2018:** Ranked 582nd among one million candidates.
- **Indian National Mathematical Olympiad 2017:** Certificate of merit.
- **KVPY 2016:** Fellowship from the Department of Science and Technology, Government of India; all-India rank 162.
- **NTSE 2016:** National Talent Search Examination Scholarship.
